"Rockzette" Tea Tree Gully Gem & Mineral Club News

President's Report

Greetings All,

1st up – **Annual Membership Subs are DUE THIS MONTH!**

Next year's Gem Show –

Our "Biennial" Show, which was cancelled last year due to COVID, is scheduled to go ahead next April, all being well. If the venue is available, the dates will be April 23-24. This is midway through the school holidays, so will allow us an extra day at each end to *a)* set up and *b)* bump out, while school is not in progress.

We have a full complement of dealers lined up and are now seeking commitments from Club members to help run the Show. We need people to man the entry table, the Canteen, the Club trading table, the Club rocks and minerals stall, plus a couple of floaters to do walkaround security just keeping an eye on things. The Show cannot go ahead without volunteers to run it, and we've lost a couple of former helpers, so PLEASE, step up and offer your assistance in whatever way you can.

Cheers, Ian

Outstanding slab of Deschutes Jasper.

An English professor wrote the words:

"A woman without her man is nothing"
on the chalkboard and asked the students to punctuate it correctly.

All of the males in the class wrote:
"A women, without her man, is nothing."

All of the females in the class wrote:
"A woman: without her, man is nothing."

Punctuation is powerful.

WildAware

Photographer Angus James was fortunate enough to capture this shot. He said: "As I was pulling my lure from the fish to release back into the water, I noticed two little eyes looking back at me from inside the fish's mouth. After capturing this picture, the little green tree frog leaped straight past my head onto the nearest tree. It was one of the coolest things I have seen in my life! This is one lucky frog!" #wildaware #frog #nature #wildlife

Two things to make your day better:

1. Do not watch the News.
2. Stay off the bathroom scale.

This morning my son said his ear hurt and I said on the inside or outside, so he walks out the front door, comes back in and says both. Moments like this got me wondering if I'm saving too much for college.

Just failed my driving test. When the examiner asked me "what sign would you expect to see down a narrow country road?" Apparently 'fresh eggs for sale' wasn't the answer...

After every Bank Holiday weekend I say to myself, "Susan, you have to stop drinking so much wine."

Luckily, my name's not Susan.

INSTEAD OF FINDING A NEW FORM OF SOCIAL MEDIA, WE SHOULD ALL GO BACK TO BONFIRES, TAILGATE PARTIES, NIGHT FISHING, PORCH SITTING AND CRUISING WITH THE RADIO PLAYING.

ONE MINUTE YOU'RE 21. STAYING UP ALL NIGHT DRINKING BEER, EATING PIZZA AND DOING SKETCHY STUFF JUST FOR FUN.

THEN...

IN A BLINK OF AN EYE YOU'RE 50, DRINKING WATER, EATING SALAD AND YOU CAN'T DO ANY SKETCHY STUFF, BECAUSE YOU PULLED A MUSCLE PUTTING ON YOUR SOCKS.

The longest drum solo was 10 hours and 26 minutes and was performed by the child sitting behind me on Delta flight 963 from LA to Tokyo.
